

# Aruba Certified Mobility Associate (ACMA) V8

This certification validates you have the foundational networking knowledge and skills required to design, set up and configure a basic Aruba Wireless Local Area Network (WLAN) utilizing the V8 operating system architecture and features.

Additionally this certification validates that you can:

- Understand the Aruba Mobile First Platform based on the Aruba Mobility Master and Controller architecture
- Configure secure WLAN features
- Configure integrated firewalls
- Describe and configure Controller and AP communications
- Describe features of Dynamic RF management
- Implement secure and guest networking solutions

## Why earn this certification?

- To position yourself as a trusted team member who can contribute to the design, deployment and management of the latest Aruba Mobile First Platform solutions
- To validate you understand the fundamentals of building an Aruba Mobile First Platform
- To advance your career as a certified professional

## Candidate

Typical candidates for this certification are networking IT professionals who deploy small-to-medium scale enterprise network solutions based on Aruba products and technologies.

## Skill level

Professional

## Steps to acquire this certification

### Before you begin:

Acquire access to [The Learning Center](#) and get an [HPE Learner ID](#). Then create a profile with Pearson VUE, our exam delivery vendor. [Learn how in the Learning Center Assist Kit.](#)

### Step 1: Do you qualify for an upgrade path?

There are no upgrade paths available for this certification.

### Step 2: Register or apply for this certification

[Register for this certification in The Learning Center](#)

### Step 3: Verify or complete prerequisites

There are no prerequisites required for this certification. Go to Step 4.

### Step 4: Complete recommended training

Training is highly recommended. Training helps you pass the exam. Training is not required for most certifications.

Course #	Course Name	Format - Typical duration	Register for course
----------	-------------	---------------------------	---------------------

Course #	Course Name	Format - Typical duration	Register for course
Training for Exam HPE6-A42: Implementing Aruba WLAN (IAW) 8			
01089598	<a href="#">01089598: Implementing Aruba WLAN (IAW) 8, Rev. 17.21</a>	VILT - 3 days ILT - 3 days	<a href="#">Register</a>

WBT = Web Based
